

General Data Protection Regulation (GDPR)

Tapps is 100% committed to data protection. That's why we welcome the General Data Protection Regulation (also known as the GDPR), which was recently approved and adopted by the European Union (EU).

What is the GDPR?

The GDPR is a regulation intended to strengthen and unify data protection for all individuals within the European Union (EU). It aims to protect the fundamental right to privacy and the protection of personal data.

If you have subscribed to our website.

The information we have on you is nothing more than the fields in the "Send us a Message" box located on our Contact Page.

I want to withdraw the consent of my information.

Send an email to grahamtapp@tappsgardencentre.org and we will permanently remove your submitted information.

What are we doing to ensure data protection for all our customers?

Tapps signup / send message services are completed through a secure server (HTTPS/SSL).
